

# GOLD WING CLUB

# NORWAY

Wishes you Welcome to the  
**Norwegian International Treff '06**  
 and  
**1<sup>st</sup> European Pallet-Paddling Championship**  
**27<sup>th</sup> to the 30<sup>th</sup> July 2006**  
**Ulvik in the Hardangerfjord**

The Local Council, Tourist Office and Chamber of Commerce welcome us to one of Hardangerfjords pearls - a small, cosy orchard village nestling in one of the fjord-arms, in the impressive West Coast nature - high mountains, fjords with 2 of Norway's glaciers not far away.

We can offer a variety of activities – fishing, water-skiing and pony riding.  
 We hope to also organise activities for children and sightseeing trips by bus and boat.  
 The cost of activities/sightseeing are NOT included in the fees. Charges will be displayed at the Information Point.

Dance/disco each night for those who like to "swing it". Free entry for Treff participants. Held at the Brakenes Hotel Thursday and Saturday, own live-band Friday.

**Pallet-Paddling.** A modernised sport derived from the Viking's < *Baaten-gaar-ned* > training for battle.. Maybe an Olympic exercise in 2056. Only requirement that you can swim. Open class for both sexes. We have been asked to test international interest – so come on in, the water's fine !
