**Archipelago Tour 2025** starts at the international meeting in Ellivuori, Finland, and ends at the international meeting near Gothenburg, Sweden. The route takes you through stunning archipelago scenery, using small ferries and island-hopping connections. There will be stops and overnight stays on smaller islands as well as on the main island of Åland.

Participation is limited due to ferry and accommodation capacity. If demand is high, we may divide participants into two groups with different departure days. From Åland onward, we will continue as one larger group.

Riding is done independently – each rider chooses their own route and pace. Accommodation options include cabins and camping.

The focus is on experiences and sights rather than high mileage. Daily distances range from 60 to 400 km.

The last night on the tour in Sweden is not included in the tour-price.

This because many people have said that they want to drive directly to the Swedish treffen site.

Camping at the treffen site is included in the treffen fee from Monday on.

**Pre-inscription and pre-payment ends at 31.5.2025** Cancellation policy: No refunds after 2.6.2025, at that date we have to pay the hotels and cabins. If somebody has to cancel, they can try to "sell" their reservation to somebody else. Names on reservations can be changed until 13.7.2025.
